## From the Principal

Welcome to Week 6 and what finally feels like winter.

The count down to the Great Aussie Bush Camp is now on with many in Stage 2 attending. This is one of the most enjoyable camps students can go to with lots of activities from climbing to water fun. There's not a child who doesn't enjoy it in some way, shape or form. If your child is attending, keep an eye on our Facebook page for updates of the fun.

A reminder that each Friday morning our P&C is making Fun Fair available for parents to put aside a small amount of money for our upcoming Fun Fair on 14<sup>th</sup> September. This makes it easier to have funds available for your children to spend at the Fair.

As the days cool down and the flu season is well and truly here, I urge our parents to keep their children home if they're unwell. Unfortunately our sick bay has unwell kids visiting each day, germs are being shared and both kids and teachers are getting sick. Please make sure your contact details are updated so the school can contact you if necessary.

Keep your eye on the calendar on each week's newsletter for any upcoming events.

Have a fantastic week, everyone!

## GIRLS PSSA SOCCER

Our PSSA Girls' Soccer team played their Round 2 match at Beryl Humble Oval on Friday. The day was organised so that all teams from the first 4 rounds were able to play in succession. Tenambit played their first game against a very strong Ashtonfield team. The girls played very competitively, but unfortunately were unsuccessful – going down to Ashtonfield 6 – 0. I was extremely proud of the great sportsmanship and the 'never give up' attitude the girls displayed. They had a great time and worked together as a team. Well done girls, you can be proud of the effort you put in – the ground must have seemed enormous!

## School Community Charter

**Collaborative. Respectful. Communication.**

The following School Community Charter outlines the responsibilities of parents, carers, educators and school staff in NSW public schools to ensure our learning environments are collaborative, supportive and cohesive.

**What our schools provide**

NSW public schools work to create positive environments for students, staff and the entire school community that support student learning. We strive to ensure that every student is known, valued and cared for.

The best education happens when parents and schools work together.

The School Community Charter aligns with the NSW Department of Education Strategic Plan 2018 – 2022.

**Positive environments**

It is important that our NSW public schools are positive environments and that parents and carers are kept informed of students' progress and school announcements.

Parents and carers can expect:

- to be welcomed into our schools to work in partnership to promote student learning
- communication from school staff will be timely, polite and informative.
- professional relationships with school staff are based on transparency, honesty and mutual respect.
- to be treated fairly. Tolerance and understanding are promoted as we respect diversity.

**We treat each other with respect**

**We prioritise the wellbeing of all students and staff**

**Unsafe behaviour is not acceptable in our schools**

**We work together with the school**

**Ensuring respectful learning environments for all members of NSW Public Schools communities.**
