From the Principal

Welcome to Week 4!

Administration Build Update

With our build start date continuing to get closer, we have moved our administration services from the original administration building over to the library. This will mean that everything that you would normally come into the office for will now be done in the library, there is no access to the old building. Access to the new administration space is via the door that leads from the COLA area. For the immediate future access to our school will continue to be through the main gates on Edwards Street. Please continue to use the intercom system to speak with our office staff or to access the school grounds.

While works on the building are not yet due to get underway, we have moved the administration space in preparation for the works to begin as soon as possible. Thank you for your understanding during this time of transition.

Book week parade

YOU'RE INVITED! This year our Book Week Parade will be held on Friday Week 6, 26th August. This year's book week theme is "Dreaming with Eyes Open". This year we will be holding our parade on the basketball court at 10.00am followed by a picnic lunch with parents. Please feel free to bring along a picnic lunch to have on the oval with your child/student at the conclusion of the parade.

Father's Day stall and breakfast

We are once again holding our annual Father's Day breakfast at the end of Week 7. Students will also have the opportunity to visit the Father's Day Stall to purchase something for that special person. Students will attend the stall throughout Wednesday, Thursday and Friday. We would love to see as many of you as we can for breakfast.

Attendance

Our attendance continues to hover just under 83% for the Term. While this percentage is below what we expect, it is good to see that it is steadily increasing. Please remember, if your child is sick please keep them at home,

We will be commencing our Tuning into Kids Parent Support Program from Week 5 of this Term. The program will run on Monday evenings from 6:00pm - 7:30pm. PBL FOCUS – WEEK 4

"I can be honest"

Book Week

Throughout Week 6 we will be celebrating our love of reading and stories with Book Week! The theme for this year is 'Dreaming with Eyes Open' so we have lots of dreamy activities planned for classrooms for through the week. Book Week will culminate with a Book Week parade at 10.00am on Friday 26th of August. We would love to see all of our students showing their love of reading by dressing up as their favourite character or author and showing us how fun reading can be!

Parents are invited to attend our parade and stay for a picnic lunch after the parade. This is a BYO lunch, and parents are asked to bring their own blanket.

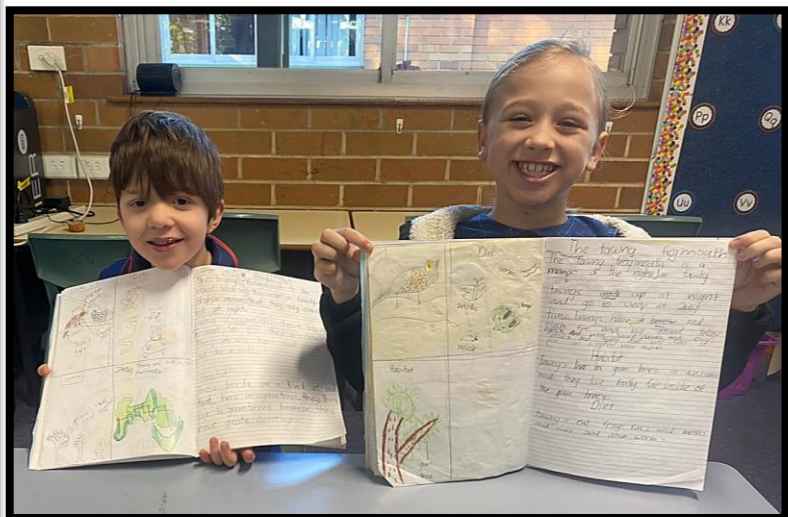

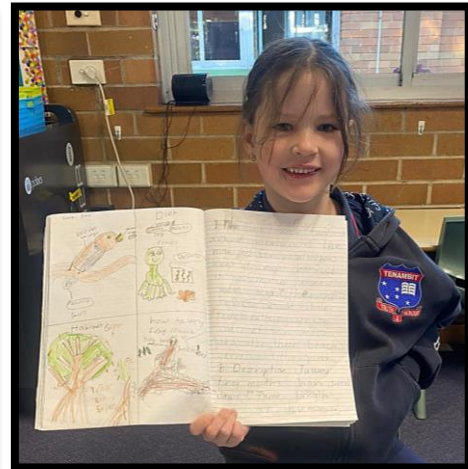

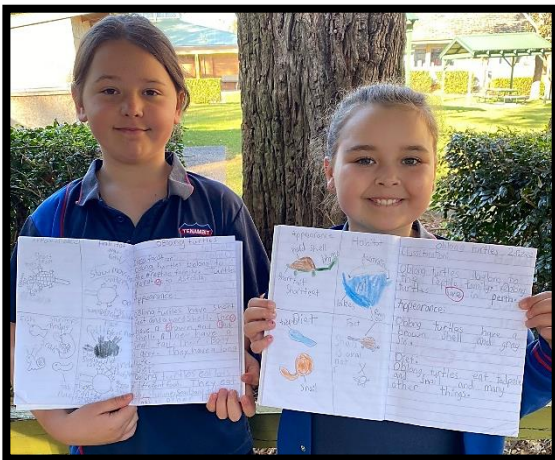

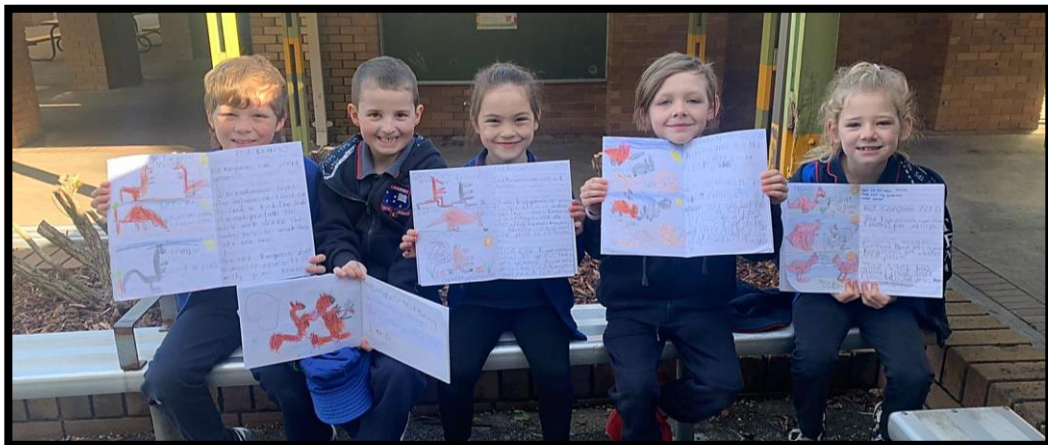

CANTEEN NEWS

Living Things

Stage 1 have been working hard in class to write informative writing pieces and create artworks about animals. They are researching and learning lots of facts about animals, tying in with our science unit 'Living Things' and our anticipated trip to Hunter Valley Wildlife Park in week 7.

COLLECTING STUDENTS FROM SCHOOL FOR APPOINTMENTS

When picking your child up early from school for appointments, please aim to collect them before or after lunch/recess if possible.

As students need to be paged during these times, they often do not hear the page from the office and it can take considerable time to locate them in the playground.
