## Creative Arts Festival

Tenambit Public School hosted its first Creative Arts Festival with a mix of handmade arts and crafts available from a variety of market stalls.

Our students created a variety of items that could be purchased from their class stalls. They created bowls from old records, bird feeders, wine bottle vases and lots more!

There was also a silent auction for some special items made by our staff and students.

A total of \$4,923.00 was raised towards our shade cover for the play equipment.

## NAIDOC WEEK

A special artwork was officially unveiled during our school's Education Week celebrations. The theme for 2018 NAIDOC Week was "Because of Her, We Can!" The artist Caleb McGrady Munro and assistant designer Jay Smith both work as Student Learning Support Officers at our school. The artwork depicts the school Principal Donna Stackman in the middle with the staff around her and the coloured circles are the classes. It represents the connectedness of the school and how everyone works together to support each other.

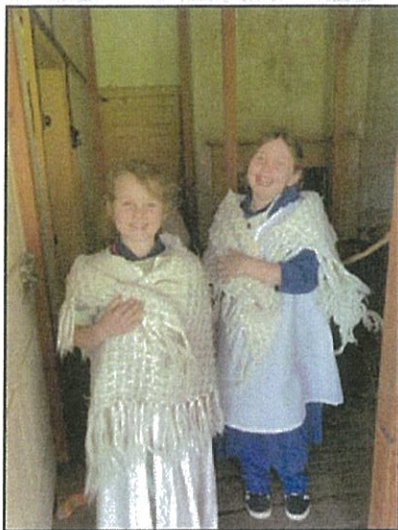

Thank you to the amazing generosity of our staff, families and students we have raised \$1,363.30! Many boxes of groceries, pet food, baby items and toys for our drought stricken farmers have also been donated. What a great school community we have!!
